

# Klinger Lake Yacht Club Membership Application

Sailboats have long been a major part of the atmosphere of Klinger Lake. Whether you live at the lake or are just visiting, you've probably wanted to sail at some time, or at least enjoyed their contribution to the beauty of the lake.

Members of the KLYC encourage you to join the fun. Whether you own a boat, or have previously sailed or not, we invite you to join in the fun! We are a group that has enjoyed both racing and day sailing for many years. Quite often, someone is in need of a crew (we're good teachers!) to race with, and any number of us would be happy to offer you a sailboat ride, and teach you some sailing skills. If you own a boat and would like help rigging it or help improving your sailing skills, we would be happy to make arrangements.

Thinking about owning a sailboat? We would be happy to assist you with that as well. Do you have a Flying Scot, Sunfish, Hobie Cat, or similar boat hiding in the back yard, in the garage, or under the porch? Why not get it out and into the water!!

If you like to race in a friendly competition (don't let the rules scare you), or just relax in the sun, wind and water, it's a lot of fun, and adds immensely to your (our) enjoyment of Klinger Lake. We hold races every Sunday in the summer at 2 PM and on major summer holidays. And don't forget the annual picnic, cocktail party, and awards dinner.

We are also going to be starting a youth program. This we be a great opportunity for the younger kids to get involved with programs that will help them learn to sail. We are also pursuing the possibility of a rowing (sculling) club. All of these programs will be detailed on the new KLYC web site when available. So, keep posted at [www.klyc.org](http://www.klyc.org).

We appreciate any suggestions you may have and, once again, are asking that you join as either a sailor or a social member. If you'd like more information, please contact: Don Frank at [donfrank@klyc.org](mailto:donfrank@klyc.org) or Mark Kirsch at 659-2443.
